Giant steps are what you take, walking on the moon...

I hope my legs don't break, walking on the moon...

We could walk for ever, walking on the moon...

We could live toge\_ther, walking on, walking on the moon!

Walking back from your house, walking on the moon...

Walking back from your house, walking on the moon...

Feet they hardly touch the ground, walking on the moon...

My feet don't hardly make no sound, walking on, walking on  
the moon!
